WHERE TO BEGIN?

The online Plan of Study system is available at:
https://forms.latech.edu/plan_of_study/

You will need your Tech **username** and **password** (same as Moodle or Webmail) to login.

The screenshot shows the Louisiana Tech Central Authentication Service (CAS) login page. At the top left is the Louisiana Tech logo, featuring a red 'L' and 'T' with a blue outline of the state of Louisiana. To the right of the logo, the text 'LOUISIANA TECH' is displayed in a bold, blue, sans-serif font. Below the logo and text is a dark blue horizontal bar with the text 'Central Authentication Service (CAS)' in white. The main content area is white and contains the following elements: a heading 'Enter your Louisiana Tech University username and password.', a 'Username:' label followed by a text input field containing 'xyz123', a 'Password:' label followed by a password input field with masked characters '.....', a checkbox labeled 'Warn me before logging me into other sites.', a 'LOGIN' button and a 'clear' link, a blue hyperlink 'Forgot your password or new user?', and a paragraph of text at the bottom stating: 'Usernames and passwords for Moodle, E-mail, Google Apps and other network services are the same. If you know your E-mail password, then you know your Moodle password and vice-versa.'

Instructions:
This online Plan Of Study system saves time and paper by enabling you to complete the form online and sign it electronically. The entire authorization process is undertaken electronically! All you will need to sign these forms is a device with a web-browser and an internet connection.

Instructions:

1. Please choose Department Head and Dean of College from the drop-down lists.
2. The form is signed by typing your name into the field provided and clicking "I verify."
3. When signed and submitted by the student, the form goes to the Advisory Committee Chairman.
4. When the form is submitted, each of the administrators named will receive an e-mail alert. If the administrators have designated substitute signers (see "Substitute Signer" link), the substitutes will receive e-mail alerts too.
5. The form initiator/student will get an e-mail when approvals at all levels have been secured.
6. Status of the form at any stage can be checked by clicking on the "Check form status" link.
