

My name is Tyler Guillot, and I am a senior in Agriculture Education. My parents are Jeremy and Desiree Guillot and Elvin and Jennifer Frank. I am from Pineville, Louisiana, and I graduated from Buckeye High School in 2013. I currently work for the Louisiana Tech Greenhouses on South Campus. I am currently the Secretary of Collegiate FFA and a member and former Wrangler for the Block and Bridle Club. I am

a member of the Louisiana Cattleman's Association and enjoy all aspects of the cattle industry.

Why Agriculture Education?

I have a passion for agriculture and everything that surrounds it. I felt like being an educator was the best way to show my passion and help recruit more young people to become agriculturists. I was an agriculture student and FFA member in high school, and hold some of my fondest memories in a livestock barn and Ag classroom. I hope that I can make an impact on my future students so that the future of agriculture can stand strong.

Mentors

I have had a lot of important people help me in life to get to where I am now. I would like to thank my parents for always believing in me, in everything I am apart of. I would like to thank my wonderful fiancé for helping instill a love for the agriculture industry and pushing me to be the best student I could be. I would like to thank my professors on south campus for helping me learn so much about the industry I care so much for. I would like to thank my advisor, Mr. Track Kavanaugh, for preparing me for the ins and outs of being an Ag Teacher and FFA advisor.

Quotes

"Be yourself; everyone else is already taken." – Oscar Wilde

"The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will." – Vince Lombardi
