To:

On behalf of the School of Agricultural Sciences & Forestry, it's my great pleasure to welcome you to Louisiana Tech University's 51st Annual Farm Production Sale.

Livestock animals take center stage today, but people are really what makes this farm sale special. It simply wouldn't exist without the support of our sponsors, volunteers, donors, and buyers. Your generosity enables us to sustain our school and farm facilities, and continue providing students with those powerful and impactful hands-on experiences that are the hallmark of a Tech education.

Thank you for being a part of this special Tech tradition, and for supporting our students and the future of agriculture in Louisiana and beyond.

Sincerely,

Christopher Keyes, Ph.D.
